Lancement d'un groupe Frugalité Heureuse et Créative à Mons

Une autre manière d'habiter le monde

Nous avons choisi d'associer le lancement de ce nouveau groupe de la Frugalité en rendant hommage à l'architecte Freddy Gallez, qui vient de nous quitter.

La maison Storme représentait, au début des années 70, une autre manière d'habiter le monde, plus poétique, plus respectueuse de l'environnement et plus attentive au lien entre architecture, nature et manière de vivre.

Who We Are

We're Ty'Case, a longstanding student association at the Brittany National College of Architecture in the city of Rennes. We work on the integration and representation of eco construction techniques through workshops, film screenings and monthly projects aimed at students.

Screening of the documentary "Brocéliande, Le Pays des Paillourtes" at the school in September, accompanied by the director.
